7. ADDITIONAL INFORMATION

Describe all building, construction work and/or tenant improvements you are planning or considering in connection with your proposed Port lease.

What, if any, transportation impact can the Port expect in connection with your proposed lease?

Please explain any disturbance or nuisance such as, but not limited to, unusual noise, vibration, emission, odor, dust or sawdust, discharge, traffic, safety, danger or other conditions in connection with your business operation.

Will your business use, store, manufacture or transport any chemicals, dangerous, hazardous or toxic substances on Port property? If yes, please describe the chemical/substance and the process proposed in connection with your business operation.

Has this company been the subject of any governmental enforcement action in the last ten years? If yes, please describe which government agency and action was involved, and the outcome of any such action.

Describe what solid waste, wood waste or other waste byproducts may be generated in connection with your company's operations. Describe your plan for disposing of said waste.

Please provide any additional information deemed relevant to the Port. For example: your plans for business expansion, plans for new employees, why you think the Port is a good fit for you, etc.

Pursuant to RCW 53.08.085, the Port requires surety by bond or cash to be determined by the Port and may be based on the financial information provided with this application.

APPLICANT AUTHORIZATION

I certify that the information provided herein is true and complete to the best of my knowledge and understand that this application does not constitute an offer, guarantee, or lease agreement. I certify that I am the authorized representative of the above-named business entity and hereby authorize the Port of Shelton to verify all information provided herein, including but not limited to, conducting credit or background checks of the business and/or principals as needed.
